SELECTED PROFESSIONAL EXPERIENCE

Research Manager (01/2023 – Present)

Deloitte's Center for Board Effectiveness

- Spearhead the Center's research agenda on emerging board governance issues, guiding projects from conceptualization to publication
- Design and implement all data collection initiatives, using both quantitative and qualitative approaches to generate actionable insights
- Engage in cross-functional collaborative projects with other Executive Accelerator programs, resulting in enhanced awareness of board relevance

Research Manager, Social Entrepreneurship (11/2024 – Present)

Deloitte's Health Institute

- Design a mixed-methods research framework to evaluate how social entrepreneurship can improve healthcare accessibility and quality
- Lead the development and implementation of a comprehensive social entrepreneur survey and semi-structured interviews with ecosystem stakeholders

Research Manager, Community Finance & Entrepreneurship (03/2023 – 02/2025)

Deloitte's Purpose Office

- Initiated and coordinated a strategic research partnership with three nonprofit Community Development Financial Institution (CDFI) loan funds
- Developed and presented a comprehensive loan fund research agenda at a national community finance conference, enhancing visibility in the sector

Vice President, Economic Development Policy (05/2018 – 01/2023)

Carolina Small Business Development Fund

- Led organizational research strategy development and execution while managing a dedicated research team
- Oversaw program evaluations across multiple initiatives, generating findings that improved small business lending, technical assistance, and special programs
- Established and maintained strategic partnerships with universities, state agencies, and research institutions, expanding the organization's influence and research capacity

Research Team Lead & Senior Analyst (10/2015 – 05/2018)

Economic Development Partnership of North Carolina

- Supervised and developed junior analyst capacity to effectively analyze economic, demographic, and labor market data
- Led internal evaluation initiatives across multiple departments, providing critical insights that informed strategic decision-making
